A striking location for a special occasion . . .

Like so many couples, you may be dreaming of a wedding abroad, searching for a destination that spells romance. A place where you can count on the sun to brighten your day. . . until it melts into the turquoise sea, washing the horizon with a blazing sunset that gives way to starry skies.

If that is your dream, wake up . . . at the GrandResort, in Limassol, Cyprus.

The GrandResort is the choice of an increasing number of wedding couples every year. Some favour the sheer luxury of the Honeymoon Suite. Others are impressed with the extensive facilities, including a full-scale wellness centre and our "Musses Spa". However all are dazzled by the resort's landscaped gardens and glistening pool overlooking the sandy beach.

To show our appreciation for choosing our hotel on your happiest day we are pleased to offer you and your guests preferential room rates and upgrades wherever possible. You may also look forward to:

- ♥ Romantic set up of your room
- ♥ Champagne Breakfast in bed the morning after the wedding
- ♥ Superb candlelight dinner, courtesy of the GrandResort
- ♥ Complimentary Indian Head Massage for two in the serene and luxurious environment of our Musses Spa

The Wedding Ceremony

Choosing the GrandResort for your wedding celebrations opens the door to innumerable options and combinations. Will it be a church wedding in town or a civil marriage in the hotel? Indoors or Outdoors, in the gardens or around the pool?

Civil marriage ceremonies in Limassol can take place either at the Town Hall situated approximately 20 minutes drive from the hotel or the GrandResort grounds.

The Town Hall was built in 1935 in Greek Roman architecture with colonial influences. Weddings take place only on weekdays between 09:30 and 14:00 hours, except bank holidays.

Wedding Options

A set menu luncheon or a full buffet . . . for 10 guests or 1.000. Choose the right venue and we will decorate according to your wishes.

Have a drink with our Food & Beverage Manager and take your time in compiling the perfect menu for your family and friends.

The variety ranges from Mediterranean to Asian, including the increasingly popular Japanese Teppan Yaki prepared on the spot, before your eyes.

Once the details have being agreed, simply relax, prepare yourself for the big day, and wait for the wedding march to signal your grand entry. . .

Our hotel will tailor these options to the individual needs of each couple.
